REPORT OF THE COMMISSIONER OF THE GENERAL LAND OFFICE

The following is a list of the lands which have been surveyed and classified by the General Land Office since the beginning of the year 1880. The lands are classified according to their location, and the date of their survey. The lands are listed in the following order: first, the lands which have been surveyed and classified since the beginning of the year 1880; second, the lands which have been surveyed and classified before the beginning of the year 1880; and third, the lands which have been surveyed and classified before the beginning of the year 1880, but which have not yet been classified by the General Land Office.
