Hi All,

Good news - our legal team has reviewed the updated agreement and it appears we only have 1 outstanding item. We cannot change our liability cap as suggested in Section 7.2. I've attached an updated redline below.

If you are OK with proceeding with our original liability cap then we can send through a new execution copy for signature. Please let me know. Thank you!

Cheers,  
Adam

Dear Adam

I checked internally and the proposal is maintain Section 7.2 as your legal team suggested, only adding the following phrase (in both languages)

"... IS LIMITED US\$10,000, or its equivalent in COP Colombian Pesos",  
"... ES LIMITADO a US\$10,000, o su equivalente en COP Pesos Colombianos."

This new version (attached) contains this change, please let us know if you and your legal team agrees with that,

Apologies for your help & waiting for your comments

Hi Mauricio,

Good news -- our legal team has approved that final change. I've attached a final redline version below. If you are OK with this draft I'll prepare a new execution copy and send your way for signature.

Please let me know. Looking forward to finalizing this soon.

Cheers,  
Adam
